41353	BEEF EXTRACT POWDER (50% salt) Fine, granular, brown powder with a strong, beefy/meaty flavour (vegetable/rapeseed oil)	20	30	ORDER	

HYDROLYSED VEGETABLE PROTEINS (HVP)

SOYA

CODE	PRODUCT	UNIT WT. KG	UNITS per PALLET	STOCK or ORDER	HALAL	COMMENTS
2721	HVP (soya), liquid Brown liquid, salty, smell and taste of hydrolysed protein when diluted with water	*	*	STOCK	✓	Delivered in 1 000 l containers or truck loads (bulk) – packing upon customer's request
14722	HVP S, light (soya), liquid Light brown liquid, salty, smell and taste of hydrolysed protein	*	*	ORDER	✓	
0281	HVP 2L-1, light, 85% dry matter (soya), paste Brown paste, salty, with taste and aroma typical of hydrolysed soy	25	22	ORDER	✓	Paste version of 0283
0313	HVP 2M-1, dark, 85% dry matter (soya), paste Brown paste, salty, with taste and aroma typical of hydrolysed soy	30	22	STOCK	✓	Paste version of 5461
2046	HVP Soy Paste Dark Brown paste, salty, with taste and aroma typical of hydrolysed soy	25	22	STOCK	✓	
0283	HVP 2L-P1, light (soya), powder Yellow powder, salty, characteristic taste of hydrolysed soy when diluted with water (RSPO Palm Fat)	20	30	STOCK	✓	
24159	HVP S light powder (soya) Yellow powder, salty, characteristic taste of hydrolysed soy when diluted with water (sunflower high-oleic oil)	20	30	STOCK	✓	
24054	HVP S powder Coarser light Yellow powder. Salty, characteristic taste of soy HVP when diluted with water (sunflower high-oleic oil)	20	30	STOCK	✓	
27397	HVP S-LS Powder Yellow powder, salty, characteristic taste of hydrolysed soy when diluted with water (Sunflower oil)	20	30	STOCK	✓	
0233	HVP 2M-P1, dark (soya), powder Brown powder, salty, characteristic taste of hydrolysed soy when diluted with water (RSPO Palm Fat)	20	30	STOCK	✓	
20555	HVP S DARK POWDER (soya) Brown powder. Salty, characteristic taste of soy HVP when diluted with water (RSPO Palm Fat)	20	30	STOCK	✓	
5461	HVP, dark (soya), powder Brown powder, salty, characteristic taste of hydrolysed soy when diluted with water (RSPO Palm Fat)	20	30	STOCK	✓	

HYDROLYSED VEGETABLE PROTEINS (HVP)

MAIZE

CODE	PRODUCT	UNIT WT. KG	UNITS per PALLET	STOCK or ORDER	HALAL	COMMENTS
12696	HVP (Maize), liquid Brown liquid, salty, smell and taste of hydrolysed protein when diluted with water	*	*	ORDER	—	Delivered in 1 000 l containers or truck loads (bulk) – packing upon customer's request
4871	HVP, light (maize), paste Brown paste, salty, taste and aroma typical of hydrolysed maize	25	22	ORDER	✓	Paste version of 4905
4905	HVP M, light (maize), powder Yellow powder, salty, characteristic taste of hydrolysed maize when diluted with water (RSPO Palm Fat)	20	30	STOCK	✓	
24044	HVP M, light powder coarser Yellow powder, salty, characteristic taste of hydrolysed maize when diluted with water (sunflower high-oleic oil)	20	30	ORDER	✓	
26859	HVP M, light powder Yellow powder, salty, characteristic taste of hydrolysed maize when diluted with water (sunflower high-oleic oil)	20	30	STOCK	✓	
26325	HVP M, semidark (maize), powder Yellow powder, salty, characteristic taste of hydrolysed maize when diluted with water (sunflower high-oleic oil)	20	30	STOCK	✓	
25405	HVP M powder Yellow (semidark) powder, salty, characteristic taste of hydrolysed maize when diluted with water (RSPO Palm Fat)	20	30	ORDER	✓	
9202	HVP M (maize), powder Brown powder, salty, characteristic taste of hydrolysed maize when diluted with water (sunflower high-oleic oil)	20	30	STOCK	✓	

HYDROLYSED VEGETABLE PROTEINS (HVP)

WHEAT

CODE	PRODUCT	UNIT WT. KG	UNITS per PALLET	STOCK or ORDER	HALAL	COMMENTS
4873	HVP (Wheat), liquid Brown liquid, salty, smell and taste of hydrolysed protein when diluted with water	*	*	ORDER	✓	Delivered in 1 000 l containers or truck loads (bulk) – packing upon customer's request
4872	HVP, light (wheat), paste Light brown paste, salty, taste and aroma typical of hydrolysed wheat	25	22	ORDER	✓	
7466	HVP, dark (wheat), paste Dark brown paste, salty, taste and aroma typical of hydrolysed wheat	25	22	ORDER	✓	
7328	HVP H, light (wheat), powder Yellow powder, balanced, slightly acidic taste when diluted with water (RSPO Palm Fat)	20	30	STOCK	✓	
24060	HVP W, light powder Yellow powder, balanced, slightly acidic taste when diluted with water (rapeseed high-oleic oil)	20	30	STOCK	✓	
7529	HVP H, dark (wheat), powder Brown powder, balanced savoury flavour when diluted with water (RSPO Palm Fat)	20	30	ORDER	✓	

HYDROLYSED VEGETABLE PROTEINS (HVP)

RAPESEED

CODE	PRODUCT	UNIT WT. KG	UNITS per PALLET	STOCK or ORDER	HALAL	COMMENTS
23291	HVP liquid R dark Brown solution with sediment. Salty, characteristic taste of rape when diluted with water	*	*	ORDER	—	
17593	HVP Rapeseed Light Powder Yellow powder. Salty, characteristic taste of hydrolysed rape when diluted with water. (RSPO Palm Fat)	20	30	ORDER	✓	
17592	HVP Rapeseed Dark Powder Brown powder. Balanced savoury flavour when diluted with water. (RSPO Palm Fat)	20	30	STOCK	✓	
26324	HVP R Light Powder Yellow powder. Salty, characteristic taste of hydrolysed rape when diluted with water. (rapeseed high-oleic oil)	20	30	ORDER	—	
26323	HVP R Dark Powder Brown powder. Balanced savoury flavour when diluted with water. (rapeseed high-oleic oil)	20	30	ORDER	—	

HYDROLYSED VEGETABLE PROTEINS (HVP)

BLENDED

CODE	PRODUCT	UNIT WT. KG	UNITS per PALLET	STOCK or ORDER	HALAL	COMMENTS
5614	HVP SM Liquid Extra Light Light yellow solution with sediment. Salty, characteristic taste of soy and maize when diluted with water	*	*	ORDER	✓	Delivered in 1 000 l containers or truck loads (bulk)
5615	HVP SM Liquid Dark Brown solution with sediment. Salty, characteristic taste of soy and maize when diluted with water	*	*	ORDER	✓	Delivered in 1 000 l containers or truck loads (bulk)
14632	HVP RM Liquid Extra Light Light yellow solution with sediment. Salty, characteristic taste of rape and maize when diluted with water.	*	*	ORDER	✓	Delivered in 1 000 l containers or truck loads (bulk)
23244	HVP RM Liquid Dark Brown solution with sediment. Salty, characteristic taste of rape and maize when diluted with water.	*	*	ORDER	✓	Delivered in 1 000 l containers or truck loads (bulk)
23052	HVP PASTE R-M LIGHT Light brown paste, salty, with taste and aroma typical of hydrolysed rapeseed and maize	25	22	STOCK	✓	
23251	HVP PASTE R-M DARK Dark brown paste, salty, with taste and aroma typical of hydrolysed rapeseed and maize	25	22	STOCK	✓	
6020	HVP SMH (soya, maize, wheat), powder Brown powder, balanced savoury flavour when diluted with water (RSPO Palm Fat)	20	30	STOCK	✓	
21840	HVP SM-G, powder Light brown powder. Salty, characteristic taste of hydrolysed maize and soy when diluted with water Low salt content, sunflower oil used. (sunflower high-oleic oil)	20	30	STOCK	✓	
25404	HVP SM light powder Yellow powder, salty, characteristic taste of hydrolysed maize and soy when diluted with water (RSPO Palm Fat)	20	30	STOCK	✓	
8481	HVP SM POWDER Brown powder. Salty, characteristic taste of hydrolysed maize and soy when diluted with water (RSPO Palm Fat)	20	30	ORDER	✓	
25406	HVP SM dark powder Brown powder, salty, characteristic taste of hydrolysed maize and soy when diluted with water (RSPO Palm Fat)	20	30	STOCK	✓	

PROCESS FLAVOURS

GENERAL CHICKEN TYPES

CODE	PRODUCT	UNIT WT. KG	UNITS per PALLET	STOCK or ORDER	HALAL	COMMENTS
24719	Flavour SL C-A Light brown powder. Characteristic roast poultry taste profile	20	30	STOCK	✓	
24720	Flavour SL C-B Light brown powder. Characteristic roast poultry taste profile	20	30	STOCK	✓	
25576	Flavour SL BC-A Light yellow powder. Characteristic boiled and juicy chicken taste profile	20	30	STOCK	✓	
25575	Flavour SL BC-B Light yellow powder. Characteristic boiled and juicy chicken taste profile	20	30	STOCK	✓	
26285	Chicken HVP Light brown powder. Characteristic boiled chicken meat taste profile	20	30	STOCK	✓	
26286	Chicken Flavour G Light brown powder. Characteristic strong chicken meat taste profile	20	30	STOCK	✓	

PROCESS FLAVOURS

BEEF & MEAT TYPES

CODE	PRODUCT	UNIT WT. KG	UNITS per PALLET	STOCK or ORDER	HALAL	COMMENTS
24717	Flavour SL M-A Dark brown powder. Characteristic roast meat taste profile	20	30	STOCK	✓	
24718	Flavour SL M-B Dark brown powder. Characteristic roast meat taste profile	20	30	STOCK	✓	
26288	Flavour SL BM-A Light brown powder. Characteristic boiled meat taste profile	20	30	ORDER	✓	
26289	Flavour SL BM-B Light brown powder. Characteristic boiled meat taste profile	20	30	ORDER	✓	
23635	SAVOURY FLAVOURING – BGG (12050) A fine, granular medium brown powder with a strong savoury, meaty flavour and aroma	20	30	STOCK	–	
26287	Beef HVP Dark brown powder. Characteristic boiled beef meat taste profile	20	30	STOCK	✓	
25447	Beef Flavour BEK/E A fine, granular yellow powder. Strong savoury, meaty flavour and aroma.	20	30	ORDER	–	
13295	HVP M-R Powder A fine, granular brown powder. Ballanced savoury flavour when diluted with water.	20	30	ORDER	–
